

PROGRAM GUIDANCE
OFFICE OF THE STATE FIRE COMMISSIONER
EMERGENCY SERVICE TRAINING CENTER CAPITAL GRANT PROGRAM
The 2024 GRANT APPLICATION PERIOD is APRIL 1, 2024 through MAY 15, 2024

The Office of the State Fire Commissioner (OSFC), pursuant to Act 104 of 2022 and 35 Pa. C.S. § 7385.2, manages the Emergency Service Training Center Capital Grant Program (Program).

Section 1. Source of Funding.

The Program is funded through money transferred under 3 Pa. C.S. § 1113(a)(5).

Section 2. Eligible Recipients.

Eligible recipients of Program funds include emergency services training centers, community colleges, county-owned facilities, municipal or fire department-owned facilities or nonprofit countywide associations. A privately owned facility shall not be eligible for Program funds.

Section 3. Definitions.

A countywide association will be recognized by the Commissioner when it is a chartered or incorporated entity where training is available to all firefighters and other emergency responders within the county where it is established.

A facility for the purposes of this section shall be a building, group of buildings, or property consisting of more than one multi-function training structures, such as classrooms, training towers/burn buildings, and other fixed props.

Section 4. Eligible Projects.

Act 104 requires Program funds to be used for the following:

1. Establish or modernize facilities that house firefighting equipment, ambulances, or rescue vehicles.
2. Acquire or renovate existing structures to house firefighting equipment, ambulances, or rescue vehicles or for the construction or modernization of facilities.
3. Repair or purchase firefighting, ambulance, or rescue equipment as necessary to provide proper and adequate training.

When determining whether a project in a Program grant application conforms with the requirements of Act 104, OSFC will consider whether the project funds will be used to further one of the three purposes listed above, with the understanding that facilities are

frequently used for multiple purposes. Applications seeking funds for multi-purpose facilities will not be automatically disqualified.

Section 5. Restrictions.

Capital grants administered under this section may not be used for:

1. Operating expenses.
2. Refinancing of renovated structures.
3. Refinancing the construction or modernization of facilities.
4. Apparatus equipment, communication equipment or accessory equipment.
5. Reduction of debt or other obligations issued prior to the effective date of Act 104 (November 3, 2022).

Section 6. Applications.

Program grant applications shall be open to organizations for forty-five (45) days each year. OSFC will process the applications and select the applications to be awarded within forty-five (45) days of the closing of the application period.

Applications shall be made in a web-based portal that is available free of charge to interested applicants.

Section 7. Amounts and criteria.

Capital grant amounts shall be distributed in an amount between \$25,000 to \$100,000. OSFC shall publish the range of grant award amounts annually.

Each Program grant application must include a project narrative and project budget. An Application Review Committee, consisting of OSFC grants staff along with two (2) members of the State Fire Advisory Board, will review the Program grant applications and recommend approval or denial to the Commissioner. The Application Review Committee will score the applications against the scoring rubric, attached as Exhibit A.

Section 8. Use.

Capital grants may be used in combination with Fire Company and Emergency Medical Services Grant funding to complete projects if approved by the Commissioner.

OSFC Capital Grant Scoring Rubric

Criteria	Exemplary (4 Points)	Adequate (3 Points)	Needs Improvement (2 Points)	Insufficient Evidence (1 Point)	Score	Comments
Demonstration of Need	<ul style="list-style-type: none"> • Description is very clear, concise, and easy to understand. • Information and data is attached and clearly supports need. • Additional data or information completes a big picture explanation of the need for the project and grant. 	<ul style="list-style-type: none"> • Description depicts the need for the project well and language clearly describes current status. • Data or additional information supports narrative and shows clear need. 	<ul style="list-style-type: none"> • Description depicting the need is somewhat clear and minimally explains why funding is needed. • There is some data or information to support need in addition to anecdotal description of current status. 	<ul style="list-style-type: none"> • Description of need is hard to understand, verbose, or uses industry specific jargon. • It is not clear what is the specific need and no data or information is included to support justifying need. 		
Description of Project Including Intended Goals and Outcomes	<ul style="list-style-type: none"> • The description of the project is exceptionally clear and provides detailed information. • The goals of the grant are clearly stated. • Significant outcomes are significantly defined/described. 	<ul style="list-style-type: none"> • The description of the project is very clear with details descriptions of the work to be completed. • The goals of the grant are clearly stated. • Outcomes of moderate impact and 	<ul style="list-style-type: none"> • The description of the project is somewhat clear and include details. • The goals of the grant are addressed but not clearly stated. • Goals and desired outcomes are minimally 	<ul style="list-style-type: none"> • The description of the project is vague or unclear. • The goals of the grant are not addressed or clearly stated. • The goals do not align with the need stated. No outcomes are described.
