Minimum Age: 14

Course Title: Introduction to the Fire Service (Entry Level Fire Training)

SFA Course Code: ELIS

Lecture/Lab Breakdown: 10.5/5.5

Minimum Course Length: 16.0 Hours

PA DOH EMS Con-Ed Course:

Prerequisites: Minimum age: 14 years old at start of course.

Referenced Text(s): Essentials of Fire Fighting, Seventh Edition by International Fire Service Training Association (IFSTA)

Course Goal: Upon successful completion an entry level firefighter shall be able to identify and utilize basic knowledge, skills, and abilities to begin their fire service career.

Course Description: This entry level course is designed to introduce new firefighters to basic information including an overview of the fire service, fire service history, its mission and organization, firefighter safety, personal protective equipment, tools, communications, work areas, and backing apparatus. This is the first of four levels (courses) in the curriculum.

Description of Methodology: This course includes lecture, interactive discussion and practical skills and a written evaluation

Student Equipment & Supplies: Pen/Pencil, Notebook; Supported reference material and skill book (Must remain in possession of student until the end of all levels); helmet, gloves, turnout coat, turnout pants, boots, protective hood, and protective eyewear (safety glasses or goggles) required for all classes.

Equipment/Audiovisual/Facility/Supply Requirements: Classroom with adequate seating; computer; LCD projector; one copy of IFSTA Essentials of Fire Fighting, Seventh Edition Student Manual and one copy of the PSFA Skill Book (must remain in possession of the student at the conclusion of the course). IFSTA Essentials of Fire Fighting, Seventh Edition Instructor's Guide and A/V Package. Fire apparatus, highway safety cones, and portable radios required for practical skills

Special Notes & Conditions: Instructor is responsible for documentation in each Student's Skill

Book. Instructors will follow the PSFA Entry Level Fire Training Curriculum Policy-2022, which includes the General Plan of Instruction for all levels. Class size maximum is 30 students.

Competency Evaluation Mechanism: A 25 question exam that contains a balance of true/false and multiple-choice questions will be administered. These exams will be generated by the Pennsylvania State Fire Academy and provided to the Educational Training Agency conducting the course and graded by the instructor of record. A 70% passing score of the written exam and 100% successful completion of skills sheets must be attained for certificate issuance.
